Lesson #4

The first characteristic of having JUICY FRUIT is operating in _____ . Love, like many other words, has been watered down so that it has lost some of its impact.

Four Kinds of LOVE

The first kind is _____. The word can simply mean _____. (James 2:23) This suggests Abraham adopted God's interests as his own to be God's friend.

The second kind is _____. It is a Greek word that means _____. (Proverbs 18:24). We should have this kind of love for one another because we all have been adopted into God's family.

The third kind is Eros. The word eros means _____. The Song of Solomon shows us that there is a place in married relationships for the eros kind of love. (1 Corinthians 7:3-6) _____ is to marriage what _____ is to our spiritual life. What do I do if I have no desire for my spouse? _____.

The fourth kind of love is Agape. Agape is never fueled by desire, but it is fueled by need. (John 3:16) Agape is the God kind of love described in Galatians 5. Agape is _____. Paul's recipe in 1 Cor. 13 is for them to love one another the same way God loves. (1 Corinthians 13)
